CAFETERIA SPOTLIGHT

As we spring into April, we want to recognize the incredible work of our Nutrition Team. Each day, they plant the seeds for student success by preparing balanced meals and creating a welcoming cafeteria environment. Their care, teamwork, and positivity help our students grow, learn, and thrive. We're so grateful for everything they do to keep our school community nourished all year long!

The Badger Middle School Special Education students and teachers surprised the Badger Nutrition Team with a thoughtful gift basket to show their appreciation! Thank you for the care you put into making the cafeteria a welcoming and inclusive space for all—keep up the great work!

Colorful "Truffula Tree" cauliflower for Dr. Seuss Day

Green Tree Elementary turned their cafeteria into a castle for National School Lunch week's theme "The Quest For School Breakfast"

NUTRITION FACTS

DID YOU KNOW?

SCHOOL LUNCH PROVIDES MOST CHLDREN WITH ABOUT ⅓ OF THEIR DAILY NUTRITIONAL NEEDS!

Our school lunches are carefully planned to be healthy & balanced! Each meal provides at least one-third of the calories, protein, calcium, iron, and vitamins A & E that your child needs daily!

JUST FOR FUN!

National Food Days are a great way to spark conversations at home about nutrition—use them as an easy way to talk about nutrition, explore new foods, and make healthy choices together as a family!
