PROGRAM SPOTLIGHT!

WBSD believes in starting the day off right — with a nutritious breakfast for every student!

During National School Breakfast Week (NSBW), March 2-6, we're celebrating the importance of a healthy start to fuel academic success. When mornings get busy, school breakfast is a convenient, nutritious way to help students begin the day ready to learn!

2025-26 Breakfast Prices

Elementary: $1.65
Silverbrook: $1.75
Badger: $1.85
High School: $1.85

If you qualify for reduced-price meals, breakfast is only 30 cents! If you qualify for free meals that includes breakfast too!

National School Breakfast Week was launched in 1989 to raise awareness of the School Breakfast Program, a federally assisted meal program that has been operating in public and nonprofit private schools & residential child care institutions since 1975. Today, the School Breakfast Program serves more than 12 million breakfasts nationwide every school day, helping students start their mornings ready to learn!

The 2026 NSBW campaign theme "The Quest For School Breakfast" reminds the entire school community that school breakfast provides a healthy and energizing start to the day for students.
